GENERAL AND REVENUE SECRETARIAT.

Serial Nos. 2

Part B for September 37.

SUBJECT.

Re- Estimate for the erection of Revenue Inspector's quarters

WD 0418—GPB—22,500—29 8 36

Serial No. 3. **Empowering Deputy Commissioners to sanction estimates for the execution of Muzrai Works through the Revenue Agency up to a money limit of Rs. 500.**

The Deputy Commissioner, Shimoga District, explained that under the existing rules, the Deputy Commissioners were empowered to entrust the execution of Muzrai Works to Revenue Agency when the cost of the estimate did not exceed Rs. 250. But if the estimate exceeded that amount, the orders of the Muzrai Commissioner had to be obtained There was a large number of Muzrai Institutions which required urgent repairs and where the estimates would exceed Rs. 250. The procedure of getting the sanction of the Muzrai Commissioner and getting the work done through the Public Works Department involved delay. For this reason he proposed that the Deputy Commissioners might be empowered to sanction estimates up to Rs 500 and get them done through the Revenue Agency.

The Dewan observed that it was necessary to get such works done by the Public Works Department which was a special agency competent to undertake the works and that the question of reducing the Tools and Plant charges might be examined by the Chief Engineer so as to limit such charges to 8 or 6 per cent.

961 [illegible]

1013

1) The chief Engineer had stated that it may not be desirable to entrust the execution of Muzrai Works to Revenue Agency as they would require technical skill and can best be done by the P.W.D. He has also stated that the reduction of tools charges would show an increase of ten per cent charges of Supervision in the P.W.D and that

NOTE—Contn. Sheet.

Serial No.

It does not appear desirable to reduce the charges suddenly, as proposed. The Chief Engineer is of opinion that the waiving of these charges can however be considered in special cases on the merits of each case as at present.

2) The tools and plant charges at 10% is being levied at present only on works executed out of funds at credit of the institutions concerned or from private contributions. All other Panchayat works are exempted from payment of such charges. Moreover Panchayat works to an extent of about 1 Lakh of Rupees are being carried out through the P.W.D. in a year, and the charges comes to about Rs 10,000/- on these works, ~~which are to be~~ and any reduction in these charges will increase the charges of supervision in the P.W.D. as stated by the Chief Engineer.

Submit for orders

P.S. 3/8 4.10.37

In the interests of the Panchayat institutions generally, it is perhaps desirable to continue the concession in all cases 8/10

9/16/-

Execution of Muzrai Works through the Revenue Agency up to a money limit of Rs.500/-

Sir,

With reference to your letter No.961/Muz. dated 16th January 1937 and subsequent reminder thereto on the above subject, I have the honour to state that the two questions that were raised at the meeting of the officers held at Mysore on the 24th October 1936 were (1) empowering Deputy Commissioners to sanction estimates for the execution of Muzrai Works through the Revenue Agency up to a money limit of Rs.500/- and (2) the reduction of Tools and Plant charges levied on Muzrai works to 8 or 6 per cent.

2. As regards the former, the Deputy Commissioners, are at present, empowered to entrust the execution of Muzrai Works to the Revenue Agency, when the cost of the estimate does not exceed Rs.250/- With the present proposal to empower them to sanction estimates for such works up to Rs.500 and get them done through the Revenue Agency. The works referred to form the more important of the Muzrai Works and it may not be desirable to entrust them to Revenue Agency as they would require technical skill and can best be done by P. W. Dept

3. With regards to the reduction of Tools and Plant charges levied on Muzrai Works only 10½ per cent is levied on works executed out of funds at credit of the institutions concerned or from private contributions. All other Muzrai Works are exempted from payment of such charges. Muzrai Works to the extent of about Rs.1/- lakh are

[illegible] If [illegible] -- [illegible].

[illegible] appear desirable [illegible] uniformly. [illegible] in special [illegible].

I have the honour to be
Sir,
Your most obedient servant,

Chief Engineer of Mysore.
